Make Your Voice Heard

Learn about Metro's plan to ease traffic at LA County's Future Transportation Plan upcoming public meetings. In the City of Los Angeles, remaining two locations and dates are as follows:

LEARN ABOUT METRO'S PLAN TO EASE TRAFFIC	
Saturday, April 23rd, 10am-12pm Metro Headquarters Board Room One Gateway Plaza LA, CA 90012	Thursday, April 28th, 6-8pm Rita Walters Auditorium 915 W. Manchester Ave LA CA 90044

Additionally, a virtual/online community meeting will take place on Saturday, April 30th, 10am-12pm. Log on at Metro.net/theplan to learn more.

UCLA-WTS & European Marshall Memorial Fellowship - Women in Leadership Panels

The UCLA Women Transportation Seminars (WTS) Chapter invited General Manager, Seleta Reynolds, to speak at their Women in Transportation panel discussion held on Monday. This event gave students an opportunity to hear from women leaders about their journeys in the field of transportation. Fellow panelists included Maria Mehranian from Cordoba Construction, and Sharon Neely, formerly Chief Deputy of SCAG (pictured below.) Ms. Reynolds also participated in last week's European Marshall Memorial Annual Fellowship Program in Long Beach, CA. She highlighted how LADOT is committed to increasing the number of women who hold technical related positions such as engineers, computer scientists, transportation planners, technicians as well as our skilled craft positions.

Rally for Justice and Young Armenians March

Please be advised that the [Rally for Justice](#) and the [Young Armenians March](#) are both taking place Sunday, April 24, 2016. See each Traffic Management Plan (TMP) link above for further details. Expect delays and congestion in and around the event area. Please plan accordingly.

Video: Metro Projects Division

Metro and LADOT partner together to deliver regional transportation projects in the City of Los Angeles, through project management and design review. [Watch](#) to learn more about how LADOT provides support to METRO LA to prioritize safety for Angelenos.
